

What People Are Saying...

"I am 73 years old and I carry my ZeroPoint pendant in my pocket 24/7. I apply it to any ache, pain, sting, or bite and the pain goes away. When I set the energy plate in the refrigerator, not only do the foods last longer, they taste better."

P. Zeiffer, Arizona

"I was flying on business every week and I was totally worn down at the end of every flight. I bought a ZeroPoint Pendant and flew for 5 hours the next day. I was amazed at the difference in the amount of energy I had when I arrived at the other end."

R. Fleshman, Illinois

"I stepped out of my car and sprained my knee. I immediately placed the pendant on my knee and wore it through the night. The next morning I was 100 percent. I had been so worried that I wouldn't be able to go to work, cook, or even stand, but here I was completely free of pain."

R. Schulhoff, N.C.

"I had a pain in my knee. I had ordered a ZeroPoint Pendant and decided to wear it every day. Whereas nothing was bringing me release from the pain I was in, I noticed a few days later, the pain in my knee and my abdomen was completely gone!"

P. Priebe, Texas

Discover the revolutionary science of the zero-point field and the next wave in human well-being.

- Reduce Stress
- Increase Mental Clarity
- Enhance general well-being
- Clear your natural BioField

Did You Know...

Your body is under constant stress caused by man-made pollution, chemicals, poor water quality, and nutrient-deficient food.

PLUS, EMF and ELF waves emitted from cell phones, computers, TV's, power lines, microwaves, airplanes, GPS, fluorescent lighting, and radio waves.

Your Body's BioField

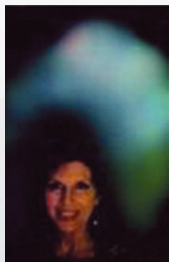

In 1994, The National Institute of Health adopted a new term BioField to describe the subtle energy field that extends out from the body.

When this BioField is out of balance, the body can become more susceptible to immune deficiencies. Stress, anxiety, fatigue, back and joint pain, and lack of mental clarity are all potential symptoms.

How ZeroPoint Can Help...

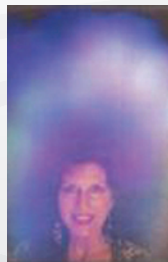

The ZeroPoint Energy Pendant strengthens and "clears" the body's natural BioField as shown in the comparisons below. Among many reported benefits, it has been shown to improve sleep, focus, energy, a sense of calm, and improved immune function.

As important, it creates a protective buffer that works to maintain your BioField's natural state.

Before

Biofield without the Energy Pendant shows a calm but unbalanced field.

After

Only 10 seconds later wearing the Energy Pendant, the field is balanced with newly introduced wellness energy.

Life-Sustaining Protection

ZeroPoint is a burgeoning field for energetic healing and protection. Not too far in the distant future, it will become commonplace. Today, it is a pioneer's opportunity to blaze new trails, offering a number of life-enhancing benefits.

Life-Enhancing Benefits

- ◆ Enhances freshness, taste, and longevity of food and beverages
- ◆ Relieves pain from headaches, back, stomach, muscles and joints

NOTES: The ZeroPoint Energy Technology is applied to the skin for as long as necessary to release the pain or shift the energy.

For long-term healing, the ZeroPoint Energy Pendant should remain applied to the area of the body in question until the problem is resolved.

For short-term relief, it is usually between 5-15 minutes. Unlike crystals, ZeroPoint technology does not need to be cleared, cleaned, or reprogrammed.
