SG823 / 180 Vegetarian Capsules

EXCIPIENT FREE

This product does not contain wheat, gluten, corn, yeast, egg, dairy products, or artificial colors, sweeteners, or flavors. This product also does not contain lactose, palmitic acid, or magnesium, calcium, or vegetable stearates.

HOW SUPPLIED

Oscap Plus™ is supplied in bottles of 180 two-piece vegetarian capsules. Packed 12 bottles per case.

CONTRAINDICATIONS AND WARNINGS

Because of the Vitamin K content this product is contraindicated in patients on Coumadin and blood-thinning medications.

This product is contraindicated in a patient with a history of hypersensitivity to any of their ingredients.

INTERACTIONS

As Vitamin K interferes with the effect of anticoagulant drugs (like Coumadin), the concurrent use of these agents should be avoided.

Folinic acid supplementation is not recommended concurrently with methotrexate cancer therapy, as it can interfere with methotrexate's anti-neoplastic activity; however, folinic acid has not been shown to interfere with the anti-inflammatory activity of methotrexate. A patient taking methotrexate for psoriasis, rheumatoid arthritis, or juvenile rheumatoid arthritis can safely take a folate supplement.

PREGNANCY WARNING

A patient who is pregnant or nursing, or who might become pregnant, should not use this product unless otherwise directed to do so by a health-care practitioner.

DOSAGE

Adult patients: 3 capsules twice daily, or as otherwise directed by a health-care practitioner.

STORAGE

Store tightly sealed in a cool dry place, away from direct light. Keep out of the reach of children.
