SG822 / 120 Vegetarian Capsules

EXCIPIENT FREE

This product does not contain wheat, gluten, corn, yeast, soy, egg, dairy products, or artificial colors, sweeteners, or flavors. This product also does not contain lactose, palmitic acid, or magnesium, calcium, or vegetable stearates.

HOW SUPPLIED

Oscap is supplied in bottles of 120 two-piece vegetarian capsules. Packed 12 bottles per case.

CONTRAINDICATIONS AND WARNINGS

This product is contraindicated in a patient with a history of hypersensitivity to any of its ingredients.

INTERACTIONS

Folinic acid supplementation is not recommended concurrently with methotrexate cancer therapy, as it can interfere with methotrexate's anti-neoplastic activity; however, folinic acid has not been shown to interfere with the anti-inflammatory activity of methotrexate. A patient taking methotrexate for psoriasis, rheumatoid arthritis, or juvenile rheumatoid arthritis can safely take a folate supplement.

PREGNANCY WARNING

Some women may reduce their risk of having a child with birth defects of the brain and spinal cord by maintaining adequate intakes of folate during their childbearing years. The safe upper limit of daily intake value of folate is 1,000 mcg. Folate needs to be consumed as part of a woman's healthful diet.

A patient who is pregnant or nursing, or who might become pregnant, should not use this product unless otherwise directed to do so by a health-care practitioner.

DOSAGE

Adult patients: 2 capsules twice daily, or as otherwise directed by a health-care practitioner.

STORAGE

Store tightly sealed in a cool dry place, away from direct light. Keep out of the reach of children.
