VMF / 240 Vegetarian Capsules

EXCIPIENT FREE

This product does not contain wheat, gluten, corn, yeast, soy, egg, dairy products, or artificial colors, sweeteners, or flavors. This product also does not contain lactose, palmitic acid, or magnesium, calcium, or vegetable stearates.

HOW SUPPLIED

Nutri-Fem is supplied in bottles of 240 two-piece vegetarian capsules. Packed 12 bottles per case.

CONTRAINDICATIONS AND WARNINGS

lodine may occasionally cause an allergic reaction in some individuals.

Accidental overdose of iron - containing products is a leading cause of fatal poisoning in children under six. Keep this product out of reach of children. In case of accidental overdose, call a doctor or poison control center immediately.

This product is contraindicated in a patient with a history of hypersensitivity to any of its ingredients.

INTERACTIONS

As vitamin K interferes with the effect of anticoagulant drugs (like coumadin), the concurrent use of these agents should be avoided.

Folinic acid supplementation is not recommended concurrently with methotrexate cancer therapy, as it can interfere with methotrexate's anti-neoplastic activity; however, folinic acid has not been shown to interfere with the anti-inflammatory activity of methotrexate. A patient taking methotrexate for psoriasis, rheumatoid arthritis, or juvenile rheumatoid arthritis can safely take a folate supplement.

While some companies say they are raising their standards ... at Thorne, we set them.™

[†]A hypoallergenic ingredient used to fill space.

PREGNANCY WARNING

A patient who is pregnant or nursing, or who might become pregnant, should consult a health-care practitioner before using this product.

Some women may reduce their risk of having a child with birth defects of the brain and spinal cord by maintaining adequate intakes of folate during their childbearing years. The safe upper limit of daily intake value of folate is 1,000 mcg. Folate needs to be consumed as part of a woman's healthful diet.

DOSAGE

Adult patients: 2-4 capsules twice daily, or as otherwise directed by a health-care practitioner.

STORAGE

Store tightly sealed in a cool dry place, away from direct light. Keep out of the reach of children.

TRADEMARK AND PATENT INFORMATION

UltraChrome® is Thorne's trade name for Chromium (4 oxopyridine2,6-dicarboxylate, arginate). Protected under U.S. Patent No. 5,665,385.
